

THE EVENT SPACE

The Event Space, located in the northwest corner on the second floor of The Forks Market, is a versatile venue suitable for a wide range of events, from weddings to concerts and meetings. With its blend of historic character and modern touches, the space offers a flexible layout, ample natural light, and a unique atmosphere that can be tailored to suit different functions.

This space is ideal for various functions, including weddings, concerts, markets, or meetings. It features newly refinished hardwood floors, exposed brick walls, and original wood ceiling and steel rafters, lined with decorative lights and a disco ball. Large windows on the north side provide natural light and views of the surrounding trees and nearby railway. Internal windows overlook the north aisle of The Forks Market.

2. facing west, during a concert where the stage is being used with the canopy and rail line in the background.

3. Entrance from The Forks Market on the east side of the room and the bay windows on the south side, overlooking The Forks Market.

DIMENSIONS

The space is located in the northwest corner of The Forks Market, with the north wall spanning nearly 64 feet, with four large windows looking toward CMHR and the north side of The Forks site (photo 1).

The west side looks out onto the elevated rail line. This wall spans 35 feet, with a large window in the middle, flanked by two smaller windows. The large window has a pull-down covering, which acts as the projector screen (photo 2).

Four bay windows, looking down into The Forks Market below, line the south wall of the space. Guests enter on the east side of the space, which is a flat curtained wall (photo 3). The space is 10 feet in height, measured from the top of the floor to the bottom of the decorative lights.
