UNCOMMON POURS TASTING SERIES RETURNS TO THE FORKS IN 2026

The popular beer and wine series is back at The Common with new flavours to explore.

The Forks, Winnipeg, Treaty One Territory (March 13, 2026) – UnCommon Pours continues in 2026 with four new themed tasting events designed for beer and wine enthusiasts. The series includes two wine-focused and two beer-focused events spread throughout the year, kicking off Friday, May 8.

This year's guiding themes include:

- Pick Your Pairing (May 8): Mix and match beers and bites in a guided tasting.
- Sunset Wines (June 12): An evening of summer-ready wines.
- Harvest Brews (October 9): Seasonal beers inspired by the flavours of fall.
- Wine & Winter (November 6): A curated tasting of bold wines suited for winter.

Each event will be led by The Common's in-house Craft Beer Curator and Cicerone or Resident Wine Consultant. Both hosts will guide attendees through expertly selected pours and thoughtfully paired bites. Guests will also gain exclusive insights and education about each featured wine or beer.

"I'm most excited for our first event, Pick Your Pairing," says Hailey Tennant, The Common Craft Beer Curator and Cicerone, "It will be a great chance for beer lovers to explore how different brews can be paired with food in The Forks Market in unexpected ways."

Ticket packages are now available for purchase with the following options:
